

MGOREILLY ASSESSMENT SERVICES

## Approved Training Provider

We are an independent assessment company that provides a one to one customised service that will meet your training requirements.

Managing Director Mike O'Reilly has over forty years' experience within the construction and education sectors. Mike has built up a team a team of experienced internal verifiers and assessors who are qualified to deliver NVQ qualifications.

### NVQ Construction Management, Supervision & Trades L2 - L7

As a company we are accredited, and quality assured by Pearson/Edexcel to deliver levels 2 - 7 and in addition the NVQ L7 in Construction Senior Management (2019) will entitle the learner to apply for membership with Chartered Institute of Building (CIOB). We are also a CITB Approved Training Organisation (ATO).

**Prices:** (We can offer a special 15% discount, on the rates below, for a limited time only, we do not charge VAT)

<b>NVQ 7</b>	<b>£2300</b>
<b>NVQ 6</b>	<b>£1800</b>
<b>NVQ 5</b>	<b>£1500</b>
<b>NVQ 4</b>	<b>£1300</b>
<b>NVQ 3</b>	<b>£900</b>
<b>NVQ 2</b>	<b>£600 (flat rate)</b>

Prices are competitive and can be priced matched, discounts are available for group bookings and in addition you can claim from the CITB - £600 per NVQ for a maximum of 4 achievements at each level per person. In addition, for registered CITB companies, there is the opportunity to apply for a Skills and Training Fund grant which could make the price of the NVQ **cost neutral**.

**We can also offer advice to companies who are registered with the CITB to apply for a Skills & Training Fund grants up to £10K for skills and training for small- or micro-sized employers and up to £25k for medium-sized employers.**

**Employees will benefit from:**

MGOREILLY ASSESSMENT SERVICES

- The opportunity to develop new skills and accredit their knowledge - whilst earning while they learn.
- One to one support from an experienced assessor.
- A qualification benchmarked against national performance standards of work-based, on the job learning.

#### **Employers will benefit from:**

- Improved staff performance and motivation.
- A workforce developed in the skills relevant to the business.
- A workforce who is up to date with the latest legislation and best practice

#### **CSCS Cards**

If you want to work in construction, you are going to need a CSCS (Construction Skills Certification Scheme) card providing assurance that you have acquired the necessary level of knowledge to operate safely on a construction site. It demonstrates that individuals have undertaken appropriate training and assists in demonstrating compliance with health and safety regulations. The holder of an NVQ will be able to apply for a CSCS card at the appropriate level.
